End of Year Updates

PICTURES—June 10, 11: Dancers do not need to wear full stage makeup for pictures, but should be in full costume including tights, shoes, hair and accessories and no jewelry or nail polish. All costume details are in the red costume book at the front desk. If you have any questions, please ask your child's teacher.

DRESS REHEARSAL—June 14: This is a full dress rehearsal and dancers should be in full costume, hair and stage makeup with no jewelry or nail polish. Dress rehearsal is mandatory and all dancers must be in the auditorium dressed, stretched and ready to perform 30 minutes prior to their estimated performance time.

RECITAL—June 22: Dancers must be checked in backstage ready for their first number no later than 5:30pm. We will take a group picture and line everyone up for the beginning of the show.

Performance Hair and Makeup

Performance Hair—All ponytails and buns should be parted on the left, slicked back and in line with the dancers nose; not on top of their head or at the nape of their neck.. Elastics, bobby pins and hair nets should match the color of the dancer's hair.

Stage Makeup—The bright lights on stage wash out a performer's face so they must wear a full face of makeup to enhance their expression.

Eyes: Natural colors like browns and roses with black eyeliner and mascara or, for older students, false eyelashes. No blue eyeshadow.

Checks: Rose blush to enhance the cheekbones. **Lips:** Deep rose, burgundy lip liner and lipstick. No bright pink or oranges.
